SEN. BOUDREAUX TAKES ON NEW RESPONSIBILITIES IN THE STATE SENATE

NAMED TO REVENUE & FISCAL AFFAIRS COMMITTEE

District 24 State Senator Gerald Boudreaux is a new member of the Senate Committee on Revenue and Fiscal Affairs. President John Alario, Jr. appointed Sen. Boudreaux to the post. The committee is responsible for acting on taxes and revenue measures generally as well as the state's capital construction budget, issuance of bonds, and government efficiency. Service on the committee is particularly important now as the legislature is set to consider major reforms of the state of Louisiana's tax structure at the regular legislative session.

"I am honored to be named by President Alario to this influential panel," Sen. Boudreaux said. "We have many fiscal challenges facing us both in the short-term and the long-term, especially with the down turn in the energy economy. I look forward to working with my fellow members of the revenue and fiscal affairs committee to find a way to meet those challenges that is fair and equitable to all taxpayers and provides the state the needed revenue to provide necessary services to all of our citizens."

The 2017 Regular Session of the Louisiana Legislature begins at noon Monday, April 10th and ends no later than 6:00 p.m. June 8th. This session is focused on specific tax and spending matters as outlined in the State Constitution with limited discussion of other policy proposals.
